The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**SUBLEASE FOR PORTION OF COUNTY-LEASED PREMISES  
WITH THE UNITED STATES OF AMERICA  
10430 SLUSHER DRIVE, SANTA FE SPRINGS  
(FIRST DISTRICT) (3 VOTES)**

**SUBJECT**

This is a recommendation to approve and execute a Sublease Agreement (Sublease) with the United States of America for a portion of a County of Los Angeles (County) leased warehouse and office space located at 10430 Slusher Drive, Santa Fe Springs, and for the Sublease to serve as a mechanism to obtain federal reimbursement for this occupancy.

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Find that the proposed Sublease is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to Class 1 section r of the revised Environmental Document Reporting Procedures, and Guidelines adopted by your Board on November 17, 1987, and Section 15301 of the State CEQA guidelines.
2. Find that a 20,230 square foot portion together with 25 surface parking spaces of the total 45,290 square foot warehouse and office space and 50 surface parking spaces currently leased by the County at 10430 Slusher Drive, Santa Fe Springs, are not exclusively needed for County use during the term of the proposed Sublease and are currently occupied by the Federal National Disaster Medical System (NDMS) programs.

3. Approve and instruct the Chair to sign and initial the Sublease with the United States of America, through its representative, General Services Administration (GSA), for an initial term of approximately six years, and authorize the Chief Executive Office (CEO) and County Department of Health Services (DHS) to implement the project.
4. Instruct the Auditor-Controller to credit DHS for all rental payments received from this proposed Sublease.

#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

Since 1995, the County has participated in the Federal Department of Health and Human Services' (DHHS) NDMS program by recruiting, organizing, training and maintaining a Disaster Medical Assistance Team (DMAT CA-9). Managed by the DHS' Emergency Medical Services Agency (EMSA), the NDMS program has expanded to include County sponsorship of a specialized DMAT, the National Medical Response Team – West (NMRT-W). This expansion resulted in the need for a larger space to accommodate additional equipment, supplies, personnel, and the inclusion of vehicles.

After federal grant funding became available for the NDMS programs in 2002, a federal mandate established policies requiring that a dedicated disaster staging facility be secured to support both NDMS and EMSA's expanded programs. That resulted in your Board approving the leasing of the Slusher property on December 16, 2003 (Master Lease), for a term of ten years, which contains 45,290 total square feet of warehouse and office space together with 50 off-street surface parking spaces. Of the total square footage leased by the County, 20,230 square feet are allocated to the NDMS programs.

EMSA and the two NDMS programs have occupied the Slusher property since June 2004. Since that time, funding to insure DMAT CA-9 and NMRT-W readiness as well as to secure the necessary storage and office space has been provided by DHHS through direct team project grant funding.

For that portion of the Slusher property which is dedicated to NDMS programs use, the County receives reimbursement through a direct invoice billing process with DHHS. The reimbursement received by the County is the same amount of rent per square foot that the County pays under the terms of the Master Lease.

Earlier this year, DHHS began to eliminate the use of its direct invoice billing process in connection with the allocation of NDMS grant funding. Citing the requirement to track grant funding with greater efficiency and accuracy, DHHS has requested that the rent reimbursement be made through a sublease agreement with the County.

Approval of the proposed Sublease will allow the County's continued participation in the NDMS programs and provide a mechanism for reimbursement to the County for the NDMS teams' utilization of a portion of the disaster staging facility that functions as an operations support center.

Due to federal procedure requirements, the Sublease has been drafted using GSA's standard form. Additionally, GSA has requested that the Sublease be executed by the County first.

### **IMPLEMENTATION OF STRATEGIC PLAN GOALS**

The Countywide Strategic Plan directs that we provide organizational effectiveness and ensure that service delivery systems are efficient, effective and goal-oriented (Goal 3) and that we strengthen the County's fiscal capacity (Goal 4). This project supports these goals by adhering to federal government mandates with regard to facility and program readiness, by providing a fully equipped operations center/disaster staging facility for immediate countywide implementation in case of a disaster, and by setting up a reimbursement mechanism for the receipt of applicable federal funding.

### **FISCAL IMPACT/FINANCING**

No fiscal impact is anticipated since DHHS will continue to pay a proportionate share of rent for the space utilized to operate the NDMS programs. This action changes only the mechanism for rent reimbursement to the County from a direct invoice billing process to a sublease agreement. The parties' agreement to have DHHS pay rent in the same amount that the County pays under the terms of the Master Lease will continue under the Sublease.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The DHS is the primary department for providing medical and health planning, response and recovery activities for the unincorporated areas of Los Angeles County and its 88 cities. The EMSA serves as the disaster coordinator responsible for operational area medical and health activities, as well as for coordinating disaster medical health resources within State Region I, which includes Los Angeles, Orange, Ventura, Santa Barbara, and San Luis Obispo Counties.

The DHS disaster staging facility houses the County's DHS Mobile Emergency Operation Center, disaster response vehicles, portable generators, medical equipment, tents, pharmaceutical caches, and other equipment used in disaster situations, in addition to office space, conference and staging areas for personnel.

Since June 2004, DHHS has paid a proportionate share of rent for the space and parking utilized to operate the NDMS programs through a direct invoice billing process. DHHS is eliminating use of the direct invoice billing process as the mechanism for the County to receive its rent reimbursement and has requested the use of the proposed Sublease as the new means to generate the rent reimbursement payments.

The proposed six-year Sublease contains the following provisions:

- Commencement of the Sublease shall begin upon the date on which the agreement is executed by the Federal Government, as the second signatory.
- During the initial six-year term, the Federal Government will not have any cancellation rights.
- In the event the County should exercise its option(s) to renew the Master Lease, the Federal Government shall have two options to renew this Sublease for an additional period of five years each. During each Option Term for which it elects to exercise its Option, the Federal Government shall have the right to terminate the Sublease at or after the 24th month of the Option Term by giving 60 days written notice to the County.
- The Federal Government's obligation to pay rent under the terms of the Sublease for the initial term or any option term thereafter, shall be in accordance with the per square foot rates set forth in the Rent Schedule attached as Exhibit F to the Master Lease.

County Counsel has reviewed the Sublease in connection with this transaction and has approved it as to form. DHS has reviewed and concurs with the recommended action.

#### **ENVIRONMENTAL DOCUMENTATION**

This project is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to Class 1 section r of the revised Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987, and Section 15301 of the State CEQA guidelines (Existing Facilities).

#### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The proposed actions will have no impact on any current County services or any other planned or approved project.

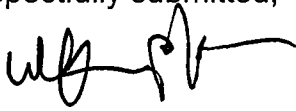

The Honorable Board of Supervisors  
July 29, 2008

**2. 552.270-5 SUBLETTING AND ASSIGNMENT (SEP 1999)**

The Government may sublet any part of the premises but shall not be relieved from any obligations under this lease by reason of any such subletting. The Government may at any time assign this lease, and be relieved from all obligations to County under this lease excepting only unpaid rent and other liabilities, if any, that have accrued to the date of said assignment. **3. 552.270-11 SUCCESSORS BOUND (SEP 1999)**

This lease shall bind, and inure to the benefit of, the parties and their respective heirs, executors, administrators, successors, and assigns.

**4. 552.270-23 SUBORDINATION, NONDISTURBANCE AND ATTORNMET (SEP 1999)**

- (a) County warrants that it holds such title to or other interest in the premises and other property as is necessary to the Government's access to the premises and full use and enjoyment thereof in accordance with the provisions of this lease. It is the intention of the parties that this provision shall be self-operative and that no further instrument shall be required to effect the present or subsequent subordination of this lease. Government agrees, however, within twenty (20) business days next following the Contracting Officer's receipt of a written demand, to execute such instruments as County may reasonably request to evidence further the subordination of this lease to any existing or future mortgage, deed of trust or other security interest pertaining to the premises, and to any water, sewer or access easement necessary or desirable to serve the premises or adjoining property owned in whole or in part by County if such easement does not interfere with the full enjoyment of any right granted the Government under this lease.

The Government may, at any time and from time to time, substitute any Government agency or agencies for the Government agency or agencies, if any, named in the lease.

**7. 552.270-26 NO WAIVER (SEP1999)**

No failure by either party to insist upon the strict performance of any provision of this lease or to exercise any right or remedy consequent upon a breach thereof, and no acceptance of full or partial rent or other performance by either party during the continuance of any such breach shall constitute a waiver of any such breach of such provision.

**13. 552.270-21 EFFECT OF ACCEPTANCE AND OCCUPANCY (SEP 1999)**

Neither the Government's acceptance of the premises for occupancy, nor the Government's occupancy thereof, shall be construed as a waiver of any requirement of or right of the Government under this Lease, or as otherwise prejudicing the Government with respect to any such requirement or right.

**14. 552.270-6 MAINTENANCE OF BUILDING AND PREMISES—RIGHT OF ENTRY (SEP 1999) (VARIATION)**

Except in case of damage arising out of the willful act or negligence of a Government employee, County shall maintain the premises, including the building, building systems, and all equipment, fixtures, and appurtenances furnished by the County under this lease, in good repair and condition so that they are suitable in appearance and capable of supplying such heat, air conditioning, light, ventilation, safety systems, access and other things to the premises, without reasonably preventable or recurring disruption, as is required for the Government's access to, occupancy, possession, use and enjoyment of the premises as provided in this lease. For the purpose of so maintaining the premises, the County may at reasonable times enter the premises with the approval of the authorized Government representative in charge.

**15. 552.270-10 FAILURE IN PERFORMANCE (SEP 1999)**

The covenant to pay rent and the covenant to provide any service, utility, maintenance, or repair required under this lease are interdependent. In the event of any failure by the County to provide any service, utility, maintenance, repair or replacement required under this lease the Government may, by contract or otherwise, perform the requirement and deduct from any payment or payments under this lease, then or thereafter due, the resulting cost to the Government, including all administrative costs. If the Government elects to perform any such requirement, the Government and each of its contractors shall be entitled to access to any and all areas of the building, access to which is necessary to perform any such requirement, and the County shall afford and facilitate such access. Alternatively, the Government may deduct from any payment under this lease, then or thereafter due, an amount which reflects the reduced value of the contract requirement not performed. No deduction from rent pursuant to this clause shall constitute a default by the Government under this lease. These remedies are not exclusive and are in addition to any other remedies which may be available under this lease or at law. Notwithstanding the foregoing, the Government may not exercise any of the rights granted to it by this Section 15 unless County's failure to perform continues for a period of 30 (thirty) days after written notice to the County; provided, however, that if more than thirty (3) days are reasonably required to cure the default then the County shall notify the Government in writing within the cure period, and shall not be deemed to be in default if County commences such cure within the thirty (30) day cure period, and thereafter diligently prosecutes such cure to completion.

**16. 552.270-22 DEFAULT BY COUNTY DURING THE TERM (SEP 1999)**

(a) Each of the following shall constitute a default by County under this lease:

- (1) Failure to maintain, repair, operate or service the premises as and when specified in this lease, or failure to perform any other requirement of this lease as and when required provided any such failure shall remain uncured for a period of thirty (30) days next following County's receipt of notice thereof from the Contracting Officer or an authorized representative.
- (2) Repeated and unexcused failure by County to comply with one or more requirements of this lease shall constitute a default notwithstanding that one or all such failures shall have been timely cured pursuant to this clause.

(b) If a default occurs, the Government may, by notice to County, terminate this lease for default and if so terminated, the Government shall be entitled to the damages specified in the Default in Delivery-Time Extensions clause.

**17. 552.270-7 FIRE AND CASUALTY DAMAGE (SEP 1999)**

If the entire premises are destroyed by fire or other casualty, this lease will immediately terminate. In case of partial destruction or damage, so as to render the premises untenable, as determined by the Government, the Government may terminate the lease by giving written notice to the County within 15 calendar days of the fire or other casualty; if so terminated, no rent will accrue to the County after such partial destruction or damage; and if not so terminated, the rent will be reduced proportionately by supplemental agreement hereto effective from the date of such partial destruction or damage. Nothing in this lease shall be construed as relieving County from liability for damage to or destruction of property of the United States of America caused by the willful or negligent act or omission of County.

**18. 552.270-8 COMPLIANCE WITH APPLICABLE LAW (SEP 1999)**

County shall comply with all Federal, state and local laws applicable to the County as owner or County, or both, of the building or premises, including, without limitation, laws applicable to the construction, ownership, alteration or operation of both or either thereof, and will obtain all necessary permits, licenses and similar items at County's expense. The Government will comply with all Federal, State and local laws applicable to and enforceable against it as a tenant under this lease; provided that nothing in this lease shall be construed as a waiver of any sovereign immunity of the Government. This lease shall be governed by Federal law.

**19. 552.270-12 ALTERATIONS (SEP 1999)**

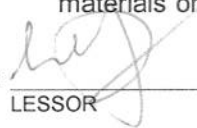

The Government shall have the right during the existence of this lease to make alterations, attach fixtures, and erect structures or signs in or upon the premises hereby leased, which fixtures, additions or structures so placed in, on, upon, or attached to the said premises shall be and remain the property of the Government and may be removed or otherwise disposed of by the Government. If the lease contemplates that the Government is the sole occupant of the building, for purposes of this clause, the leased premises include the land on which the building is sited and the building itself. Otherwise, the Government shall have the right to tie into or make any physical connection with any structure located on the property as is reasonably necessary for appropriate utilization of the leased space.

**20. 552.270-29 ACCEPTANCE OF SPACE (SEP 1999) (VARIATION)**

- (a) When the County has completed all alterations, improvements, and repairs necessary to meet the requirements of the lease, the County shall notify the Contracting Officer. The Contracting Officer or designated representative shall promptly inspect the space.

  - (2) inspecting the heating, ventilation and air conditioning system, maintenance records, and mechanical rooms for the offered premises or the premises;

  - (4) inspecting for any current or past hazardous waste operations, to ensure that appropriate mitigative actions were taken to alleviate any environmentally unsound activities in accordance with Federal, State and local law.
- (b) Nothing in this clause shall be construed to create a Government duty to inspect for toxic materials or to impose a higher standard of care on the Government than on other lessees.

**22. 52.204-7 CENTRAL CONTRACTOR REGISTRATION (OCT 2003) (VARIATION)**

(a) Definitions. As used in this clause—

"Central Contractor Registration (CCR) database" means the primary Government repository for Contractor information required for the conduct of business with the Government.

"Data Universal Numbering System (DUNS) number" means the 9-digit number assigned by Dun and Bradstreet, Inc. (D&B) to identify unique business entities.

"Data Universal Numbering System +4 (DUNS+4) number" means the DUNS number assigned by D&B plus a 4-character suffix that may be assigned by a business concern. (D&B has no affiliation with this 4-character suffix.) This 4-character suffix may be assigned at the discretion of the business concern to establish additional CCR records for identifying alternative Electronic Funds Transfer (EFT) accounts for the same parent concern.

"Offeror" means the owner of the property offered, not an individual or agent representing the owner.

"Registered in the CCR database" means that—

- (1) The Contractor has entered all mandatory information, including the DUNS number or the DUNS+4 number, into the CCR database; and
  - (2) The Government has validated all mandatory data fields and has marked the record "Active."
- (b)
- (1) By submission of an offer, the Offeror acknowledges the requirement that a prospective awardee must be registered with D&B and in the CCR database prior to award, during performance, and through final payment of any contract resulting from this solicitation.
  - (2) The Offeror shall enter in the appropriate block, on the GSA Form 3518, entitled Representations and Certifications, the legal entity's name and address, followed by the DUNS or DUNS +4 number that identifies the Offeror's name and address exactly as stated in the offer. The DUNS number will be used by the Contracting Officer to verify that the Offeror is registered in the CCR database.
- (c) If the Offeror does not have a DUNS number, it should contact Dun and Bradstreet directly to obtain one.
- (1) An Offeror may obtain a DUNS number—
    - (i) If located within the United States, by calling Dun and Bradstreet at 1-866-705-5711 or via the Internet at <http://www.dnb.com>; or
    - (ii) If located outside the United States, by contacting the local Dun and Bradstreet office.

    - (i) Company legal business.
    - (ii) Tradestyle, doing business, or other name by which your entity is commonly recognized.
    - (iii) Company Physical Street Address, City, State, and ZIP Code.
    - (iv) Company Mailing Address, City, State and ZIP Code (if separate from physical).
    - (v) Company Telephone Number.
    - (vi) Date the company was started.

- (e) Processing time, which normally takes 48 hours, should be taken into consideration when registering. Offerors who are not registered should consider applying for registration immediately upon receipt of this solicitation.
- (f) The Contractor is responsible for the accuracy and completeness of the data within the CCR database, and for any liability resulting from the Government's reliance on inaccurate or incomplete data. To remain registered in the CCR database after the initial registration, the Contractor is required to review and update on an annual basis from the date of initial registration or subsequent updates its information in the CCR database to ensure it is current, accurate and complete. Updating information in the CCR does not alter the terms and conditions of this contract and is not a substitute for a properly executed contractual document.

    - (i) If a Contractor has legally changed its business name, "doing business as" name, or division name (whichever is shown on the contract), or has transferred the assets used in performing the contract, the Contractor shall comply with the requirements of Subpart 42.12 of the Federal Acquisition Regulations (FAR) and provide the responsible Contracting Officer a fully revised and initialed/signed GSA Form 3518, entitled Representations and Certifications, along with written notification of its intention to (A) change the name in the CCR database; and (B) provide the Contracting Officer with sufficient documentation to verify and confirm the legally changed name or change in ownership.
    - (ii) If the Contractor fails to comply with the requirements of paragraph (g)(1)(i) of this clause, or fails to perform the agreement at paragraph (g)(1)(i)(C) of this clause, and, in the absence of a properly executed novation or change-of-name agreement, the CCR information that shows the Contractor to be other than the Contractor indicated in the contract will be considered to be incorrect information within the meaning of the "Suspension of Payment" paragraph of the electronic funds transfer (EFT) clause of this contract.
  - (2) The Contractor shall not change the name or address for EFT payments or manual payments, as appropriate, in the CCR record to reflect an assignee for the purpose of assignment of claims. Assignees shall be separately registered in the CCR database. Information provided to the Contractor's CCR record that indicates payments, including those made by EFT, to an ultimate recipient other than that Contractor will be considered to be incorrect information.

(b) *Invoice and inspection requirements for payments other than rent.*

- (2) The Government will inspect and determine the acceptability of the work performed or services delivered within 7 days after the receipt of a proper invoice or notification of completion of the work or services unless a different period is specified at the time the order is placed. If actual acceptance occurs later, for the purpose of determining the payment due date and calculation of interest, acceptance will be deemed to occur on the last day of the 7-day inspection period. If the work or service is rejected for failure to conform to the technical requirements of the contract, the 7 days will be counted beginning with receipt of a new invoice or notification. In either case, the Contractor is not entitled to any payment or interest unless actual acceptance by the Government occurs.

(c) *Interest Penalty.*

- (1) An interest penalty shall be paid automatically by the Government, without request from the Contractor, if payment is not made by the due date.
- (2) The interest penalty shall be at the rate established by the Secretary of the Treasury under Section 12 of the Contract Disputes Act of 1978 (41 U.S.C. 611) that is in effect on the day after the due date. This rate is referred to as the "Renegotiation Board Interest Rate," and it is published in the *Federal Register* semiannually on or about January 1 and July 1. The interest penalty shall accrue daily on the payment amount approved by the Government and be compounded in 30-day increments inclusive from the first day after the due date through the payment date.
- (3) Interest penalties will not continue to accrue after the filing of a claim for such penalties under the clause at 52.233-1, Disputes, or for more than 1 year. Interest penalties of less than \$1.00 need not be paid.
- (4) Interest penalties are not required on payment delays due to disagreement between the Government and Contractor over the payment amount or other issues involving contract compliance or on amounts temporarily withheld or retained in accordance with the terms of the contract. - (a) When space is offered and accepted, the ANSI/BOMA Office Area square footage delivered will be confirmed by:
- (1) the Government's measurement of plans submitted by the successful Offeror as approved by the Government, and an inspection of the space to verify that the delivered space is in conformance with such plans or
  - (2) a mutual on-site measurement of the space, if the Contracting Officer determines that it is necessary.
- (b) Payment will not be made for space which is in excess of the amount of ANSI/BOMA Office Area square footage stated in the lease.
- (c) If it is determined that the amount of ANSI/BOMA Office Area square footage actually delivered is less than the amount agreed to in the lease, the lease will be modified to reflect the amount of Usable space delivered and the annual rental will be adjusted as follows:

Usable square feet not delivered multiplied by the ANSI/BOMA Office Area square foot (USF) rate equals the reduction in annual rent. The rate per USF is determined by dividing the total annual rental by the Usable square footage set forth in the lease.

- (a) This contract is subject to the Contract Disputes Act of 1978, as amended (41 U.S.C. 601-613).
- (b) Except as provided in the Act, all disputes arising under or relating to this contract shall be resolved under this clause.
- (c) "Claim," as used in this clause, means a written demand or written assertion by one of the contracting parties seeking, as a matter of right, the payment of money in a sum certain, the adjustment or interpretation of contract terms, or other relief arising under or relating to this contract. However, a written demand or written assertion by the Contractor seeking the payment of money exceeding \$100,000 is not a claim under the Act until certified. A voucher, invoice, or other routine request for payment that is not in dispute when submitted is not a claim under the Act. The submission may be converted to a claim under the Act, by complying with the submission and certification requirements of this clause, if it is disputed either as to liability or amount or is not acted upon in a reasonable time.
- (d)
  - (1) A claim by the Contractor shall be made in writing and, unless otherwise stated in this contract, submitted within 6 years after accrual of the claim to the Contracting Officer for a written decision. A claim by the Government against the Contractor shall be subject to a written decision by the Contracting Officer.
  - (2)
    - (i) The Contractor shall provide the certification specified in paragraph (d)(2)(iii) of this clause when submitting any claim exceeding \$100,000.
    - (ii) The certification requirement does not apply to issues in controversy that have not been submitted as all or part of a claim.
    - (iii) The certification shall state as follows: "I certify that the claim is made in good faith; that the supporting data are accurate and complete to the best of my knowledge and belief; that the amount requested accurately reflects the contract adjustment for which the Contractor believes the Government is liable; and that I am duly authorized to certify the claim on behalf of the Contractor."
  - (3) The certification may be executed by any person duly authorized to bind the Contractor with respect to the claim.
- (e) For Contractor claims of \$100,000 or less, the Contracting Officer must, if requested in writing by the Contractor, render a decision within 60 days of the request. For Contractor-certified claims over \$100,000, the Contracting Officer must, within 60 days, decide the claim or notify the Contractor of the date by which the decision will be made.
- (f) The Contracting Officer's decision shall be final unless the Contractor appeals or files a suit as provided in the Act.
- (g) If the claim by the Contractor is submitted to the Contracting Officer or a claim by the Government is presented to the Contractor, the parties, by mutual consent, may agree to use alternative dispute resolution (ADR). If the Contractor refuses an offer for ADR, the Contractor shall inform the Contracting Officer, in writing, of the Contractor's specific reasons for rejecting the offer.
- (h) The Government shall pay interest on the amount found due and unpaid from (1) the date that the Contracting Officer receives the claim (certified, if required); or (2) the date that payment otherwise would be due, if that date is later, until the date of payment. With regard to claims having defective certifications, as defined in FAR 33.201, interest shall be paid from the date that the Contracting Officer initially receives the claim. Simple interest on claims shall be paid at the rate, fixed by the Secretary of the Treasury as provided in the Act, which is applicable to the period during which the Contracting Officer receives the claim and then at the rate applicable for each 6-month period as fixed by the Treasury Secretary during the pendency of the claim.
- (i) The Contractor shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the Contracting Officer.

- (h) Prior compliance of the Offeror with other such subcontracting plans under previous contracts will be considered by the Contracting Officer in determining the responsibility of the Offeror for award of the contract.
- (i) The failure of the Contractor or subcontractor to comply in good faith with—

For a commercial plan, the Contractor may obtain from each of its subcontractors a predominant NAICS Industry Subsector and report all awards to that subcontractor under its predominant NAICS Industry Subsector.

- (b) Performance shall be measured by applying the percentage goals to the total actual subcontracting dollars or, if a commercial plan is involved, to the pro rata share of actual subcontracting dollars attributable to Government contracts covered by the commercial plan. If, at contract completion or, in the case of a commercial plan, at the close of the fiscal year for which the plan is applicable, the Contractor has failed to meet its subcontracting goals and the Contracting Officer decides in accordance with paragraph (c) of this clause that the Contractor failed to make a good faith effort to comply with its subcontracting plan, established in accordance with the clause in this contract entitled "Small Business Subcontracting Plan," the Contractor shall pay the Government liquidated damages in an amount stated. The amount of probable damages attributable to the Contractor's failure to comply shall be an amount equal to the actual dollar amount by which the Contractor failed to achieve each subcontract goal.
- (c) Before the Contracting Officer makes a final decision that the Contractor has failed to make such good faith effort, the Contracting Officer shall give the Contractor written notice specifying the failure and permitting the Contractor to demonstrate what good faith efforts have been made and to discuss the matter. Failure to respond to the notice may be taken as an admission that no valid explanation exists. If, after consideration of all the pertinent data, the Contracting Officer finds that the Contractor failed to make a good faith effort to comply with the subcontracting plan, the Contracting Officer shall issue a final decision to that effect and require that the Contractor pay the Government liquidated damages as provided in paragraph (b) of this clause.
- (d) With respect to commercial plans, the Contracting Officer who approved the plan will perform the functions of the Contracting Officer under this clause on behalf of all agencies with contracts covered by the commercial plan.
- (e) The Contractor shall have the right of appeal, under the clause in this contract entitled, Disputes, from any final decision of the Contracting Officer.

If Tenant remains in possession of the Premises or any part thereof after the expiration of the Term of this Lease, such occupancy shall be a tenancy which is terminable only upon thirty (30) days written notice from Landlord or thirty (30) days written notice from the Chief Administrative Officer of Tenant at one hundred ten percent (110%) of the last monthly Basic Rent payable under this Lease (as such Basic Rent may be adjusted from time to time in accordance with this Lease) plus all other charges payable under this Lease, and subject to all of the terms, covenants and conditions of this Lease.

8. COMPLIANCE WITH LAW. Tenant shall, at Tenant's expense, comply promptly with all applicable statutes, ordinances, rules, regulations, orders and requirements in effect during the term hereof, regulating the use, occupancy or improvement of the Premises by Tenant. Landlord, not Tenant, shall, at its sole cost, at all times cause the Premises and the Building to comply with all applicable statutes, ordinances, rules, regulations, orders and requirements in effect and binding upon Tenant or Landlord during the term hereof, including without limitation, the Americans with Disabilities Act, except to the extent such compliance is made necessary as a result of Tenant's particular use of or alterations or improvements to the Premises.

#### 9. DAMAGE OR DESTRUCTION.

(a) Damage. In the event any portion of the Premises is damaged by fire or any other cause rendering the Premises totally or partially inaccessible or unusable and the Premises may be restored to a complete architectural unit of the same value, condition and character that existed immediately prior to such casualty in less than one hundred eighty (180) days, then Landlord shall promptly, at Landlord's expense, repair such damage and this Lease shall continue in full force and effect. If all or any portion of the Premises shall be made untenable by fire or other casualty, Landlord shall immediately secure the area to prevent injury to persons and/or vandalism to the improvements. Landlord shall promptly, but in any event within thirty (30) days, cause an architect or general contractor selected by Landlord to provide Landlord and Tenant with a written estimate of the amount of time required to substantially complete the repair and restoration of the Premises and make the Premises tenable again using standard working methods. The failure to do so shall be a material Default hereunder. Basic Rent shall abate to the extent that the Premises are unusable by Tenant. Tenant waives the provisions of California Civil Code Sections 1932(2) and 1933(4) with respect to any partial or total destruction of the Premises.

(b) Tenant Termination Right. In the event any portion of the Premises is damaged by fire or any other cause rendering the Premises totally or partially inaccessible or

unusable and the Premises will not be restored to a complete architectural unit of the same value. condition and character that existed immediately prior to such casualty in less than one hundred eighty (180) days for any reason, then Tenant may terminate this Lease by giving written notice within ten (10) days after notice from Landlord specifying such time period of repair; and this Lease shall terminate and the Basic Rent shall be abated from the date the Premises became untenable. In the event that Tenant does not elect to terminate this Lease, Landlord shall promptly commence and diligently prosecute to completion the repairs to the Building or Premises, provided insurance proceeds are available to repair the damages.

(c) Damage In Last Year. Notwithstanding the foregoing provisions, if any material destruction to the Premises occurs during the last year of the Term, either Landlord or Tenant may terminate this Lease by giving notice to the other not more than thirty (30) days after such destruction, in which case (a) Landlord shall have no obligation to restore the Premises, (b) Landlord may retain all insurance proceeds relating to such destruction, and (c) this Lease shall terminate as of the date which is thirty (30) days after such written notice of termination. As used herein, the term "material destruction" shall mean the destruction of greater than ten percent (10%) of the Premises rendering the Premises totally or partially inaccessible or unusable.

(d) Default By Landlord. If Landlord is required to repair and restore the Premises as provided for in this Section and Landlord should fail to thereafter pursue said repair and restoration work with reasonable diligence to completion, Tenant may, after giving written notice thereof to Landlord and a thirty day period to cure such failure: (a) declare a default hereunder or (b) perform or cause to be performed the restoration work and deduct the cost thereof plus interest thereon at ten percent (10%) per annum, from the Basic Rent next due as a charge against the Landlord.

## 10. REPAIRS AND MAINTENANCE.

(a) Landlord Representations. Landlord represents, to the best of his knowledge, to Tenant that (i) the Premises, the Building and all Common Areas (including electrical, heating, ventilating and air conditioning ("HVAC"), mechanical, plumbing, gas and fire/life safety systems in the Building and similar building service systems) comply with all current laws, codes, and ordinances, including the Americans With Disabilities Act; and are in reasonable good working order and condition; (ii) the Building and Premises comply with all covenants, conditions, restrictions and underwriter's requirements; and (iii) subject to the last sentence of this subsection, to Landlord's actual knowledge, the Premises, Building and Common Areas are free of the presence of any Hazardous Materials (as hereinafter defined) and (iv) Landlord has not received any notice from any governmental agency that the Building or the Premises are in violation of any law or regulation. Landlord represents, based upon the Phase I Environmental Site Assessment Report that the Premises and the Building contain no asbestos or other Hazardous Materials (as herein defined) containing materials (other than as may be reflected in the Phase I Environmental Site Assessment Report).

(b) Landlord Obligations. Landlord shall keep and maintain in good repair and working order and promptly make repairs to and perform maintenance upon and replace as needed: (i) the structural elements of the Building, including without limitation, all permanent exterior and interior walls, floors and ceilings, roof, concealed plumbing, stairways, concealed electrical systems and telephone intra building network cable (ii) mechanical (including HVAC), electrical, plumbing and fire/life safety systems serving the Building (iii) the Common Areas; and (iv) exterior windows of the Building. Landlord, at its sole cost and expense, shall also perform all maintenance and repairs to the Premises, and shall keep the Premises in good condition and repair, reasonable wear and tear excepted. Landlord's repair obligations include, without limitation, repairs to: (1) the floor covering (if such floor covering is carpeting it shall be replaced as needed but not less often than after ten (10) years of use); (2) interior partitions; (3)

doors: (4) the interior side of demising walls (which shall be repainted as needed but not less often than every ten (10) years excluding reasonable touch-up). Without limiting the foregoing, Tenant shall, at Tenant's sole expense, be responsible for the cost of repairing any area damaged by Tenant or Tenant's agents, employees, invitees and visitors and the repair of low voltage electronic, phone and data cabling and related equipment that is installed by or for the exclusive benefit of Tenant. All repairs and replacements shall: (a) be made and performed by contractors or mechanics approved by Tenant, which consent shall not be unreasonably withheld or delayed, (b) be at least equal in quality, value and utility to the original work or installation, (c) be in accordance with all laws.

(c) Tenant's Right to Repair. If Tenant provides written notice (or oral notice in the event of an emergency such as damage or destruction to or of any portion of the Building structure and/or the Building systems and/or anything that could cause material disruption to Tenant's business) to Landlord of an event or circumstance which requires the action of Landlord with respect to repair and/or maintenance, and Landlord fails to provide such action within a reasonable period of time, given the circumstances, after the giving of such notice, but in any event not later than five (5) days after the giving of such notice, then Tenant may proceed to take the required action (provided, however, that no such notice shall be required in the event of an emergency which threatens life or where there is imminent danger to property or a possibility that a failure to take immediate action could cause a material disruption in Tenant's normal and customary business activities). Tenant shall have access to the Building to the extent necessary to perform the work contemplated by this provision. If such action was required under the terms of this Lease to have been taken by Landlord and was not taken by Landlord within such period (unless such notice was not required as provided above), and Tenant took such required action, then Tenant shall be entitled to prompt reimbursement by Landlord of Tenant's reasonable costs and expenses in having taken such action plus interest thereon at ten percent (10%) per annum. If not reimbursed by Landlord within ten (10) days, Tenant shall be entitled to deduct from Basic Rent payable by Tenant under this Lease the amount set forth in its invoice for such work. The remedies provided in this Section are in addition to the remedies provided in Section 15.

## 11. SERVICES AND UTILITIES.

Landlord shall furnish the following services and utilities to the Premises:

(a) HVAC. Landlord shall furnish heating, ventilation and air conditioning ("HVAC"), during Normal Working Hours in amounts required for the use and occupancy of the Premises for normal office purposes to a standard comparable to other Industrial buildings and not less than the standard set forth in Exhibit D attached hereto.

(b) Electricity. Landlord shall furnish to the Premises the amount of electric currently provided to the Building as of the date of this lease.

(c) Water. Landlord shall make available, at tenant's cost, water for normal lavatory and potable water meeting all applicable governmental standards for drinking purposes in the Premises.

Notwithstanding the above, Tenant agrees to pay when due all charges for the consumption of the electricity and water in connection with the demised Premises during the term of this Lease or any renewal, extension, or holdover thereof, provided the same are measured by separate meter, which shall be installed at the sole cost of the Landlord.

(d) Janitorial. Landlord shall provide janitorial service on five (5) nights per week generally consistent with that furnished in comparable office buildings in the County of

Los Angeles, but not less than the services set forth in the specifications set forth in Exhibit E attached hereto.

(e) Access. Landlord shall furnish to Tenant's employees and agents access to the Building, Premises and Common Areas on a seven (7) day per week, twenty-four (24) hour per day basis, subject to compliance with such reasonable security measures as shall from time to time be in effect for the Building.

12. TAXES. Landlord shall pay promptly all real property taxes, assessments and special assessments which may be levied or assessed against the demised Premises during the term of this Lease or any renewal or holdover period thereof. In the event Landlord fails or refuses to pay any or all taxes or assessments when due, Lessee may give Landlord thirty (30) calendar days prior written notice and pay such taxes and assessments and deduct thereafter the payments from the installments of rent next due as a charge against Landlord.

13. LANDLORD ACCESS. Tenant shall permit Landlord and its agents to enter the Premises upon prior written notice for the purpose of inspecting the Premises for any reasonable purpose. If Landlord temporarily closes any portion of the Building or Premises for more than eight consecutive business hours, Basic Rent shall be prorated based upon the percentage of the Premises or Building rendered untenable and not used by Tenant. Landlord shall have the right at any and all times to enter the Premises without notice to Tenant in the event of an emergency.

#### 14. TENANT DEFAULT.

(a) Default. The occurrence of any one or more of the following events (a "Default") shall constitute a material default and breach of this Lease by Tenant:

(i) the failure by Tenant to make any payment of Basic Rent or any other payment required to be made by Tenant hereunder (except to the extent an offset is expressly permitted hereunder), as and when due and if the failure continues for a period of ten (10) days after written notice to Tenant;

(ii) the failure by Tenant to observe or perform any of the other covenants, conditions or provisions of this Lease, where such failure shall continue for a period of thirty (30) days after written notice from Landlord specifying in detail the nature of the default; provided, however, if more than thirty (30) days are reasonably required for its cure then Tenant shall not be deemed to be in default if Tenant commences such cure within said 30-day period and thereafter diligently prosecutes such cure to completion.

(b) Termination. Tenant agrees that if a Default should occur and should not be cured within the time periods set forth above, it shall be lawful for Landlord to terminate this Lease upon the giving of written notice to Tenant. In addition thereto, Landlord shall have such other rights or remedies as may be provided by law.

(c) No Effect on Indemnity. Nothing in this Article shall be deemed to affect either Landlord or Tenant's right to indemnification under any indemnification clause or clauses set forth in this Lease.

#### 15. LANDLORD DEFAULT.

(a) Remedies. In addition to the provisions for Landlord's default provided by Sections 9(b), 19(b) and 20(a)(iii), Landlord shall be in default in the performance of any

WJD

obligation required to be performed by Landlord under this Lease if Landlord has failed to perform such obligation within twenty (20) days after the giving of written notice with respect thereto by Tenant (which notice shall be, if appropriate, the same notice given under Section 10(c)); provided, however, that if the nature of such default is such that the same cannot reasonably be cured within such twenty (20) day period, Landlord shall not be deemed to be in default if Landlord shall within such period commence such cure and thereafter diligently prosecute the same to completion. If the default by Landlord ("Landlord Default") is of such a nature that it materially and substantially interferes with Tenant's occupancy and use of the Premises and if such Landlord Default is not cured within the foregoing cure period, then Tenant shall have the right, at its option, upon giving written notice to Landlord, to any one or more of the following described remedies in addition to all other rights and remedies provided at law or in equity or elsewhere herein: (i) to remedy such default or breach and deduct the costs thereof (including but not limited to attorneys' fees) plus interest at the rate of ten (10%) per annum from the installments of Basic Rent next falling due; (ii) to pursue the remedy of specific performance; or (iii) to seek money damages for loss arising from Landlord's failure to discharge its obligations under this Lease or offset such damages against Basic Rent next coming due.

(b) Waiver. Nothing herein contained shall relieve Landlord from its duty to effect the repair, replacement, correction or maintenance required to restore any affected services, or to perform any other obligations to the standard prescribed in this Lease, nor shall this Section be construed to obligate Tenant to undertake any such work.

(c) Emergency. Notwithstanding the foregoing cure period, Tenant may cure any default without notice where the failure promptly to cure such default would, in the reasonable opinion of Tenant, create or allow to persist an emergency condition or materially and adversely affect the operation of Tenant's business in the Premises.

16. ASSIGNMENT AND SUBLETTING. Tenant may assign, mortgage, encumber or otherwise transfer this Lease or sublet the whole or any part of the Premises without first obtaining Landlord's prior consent; provided, however, such transferee must have a credit rating for claims paying ability by Standard and Poor's Rating Group of "AA" or better and no such assignment, subletting or other transfer shall relieve Tenant of any liability under this Lease unless Landlord has given its written consent thereto, which Landlord shall not unreasonably withhold if the assignee has a credit rating for claims paying ability by Standard and Poor's Rating Group of "AA" or better. Landlord's consent shall be given or denied within thirty (30) days of receipt of Tenant's written request for release from liability under this Lease. Should there be no response within thirty (30) days after the specific written request is made to Landlord, the request shall be deemed approved by the Landlord.

Notwithstanding the foregoing, Tenant shall have the right at all times to allow another government agency (including any government assignee, contractor or subcontractor) other than the Department of Health Services, to use the Premises, without the Landlord's written consent so long as the intended use is consistent and compatible with Tenant's use of the Premises in accordance with the terms of Section 6 of the Lease. Lessee agrees to promptly notify Landlord in writing of any such change in tenancy.

Any right to exercise the early termination options described in Section 4(d) of the Lease, the purchase option described in Section 36 of the Lease or the extension options described in Section 34 of the Lease shall be deemed personal to Tenant, and shall not be available to any assignee or sublessee of Tenant, it being understood that any such options shall, in the event of any such sublease or assignment, be void ab initio.

17. ALTERATIONS AND ADDITIONS.

(a) Landlord Consent. Tenant shall not make any structural alterations, improvements, additions, or utility installations in or about the Premises (collectively, "Alterations") without first obtaining the written consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed. However, Landlord's consent shall not be required for any Alteration that satisfies all of the following criteria: (1) complies with all Laws; (2) is not visible from the exterior of the Premises or Building; (3) will not materially affect the systems or structure of the Building; and (4) such alteration does not cost more than \$50,000 in the aggregate. If Landlord fails to respond in writing within thirty (30) days of such request, Landlord shall be deemed to approve the Alterations.

(b) End of Term. Tenant shall remove, at its own expense, all fixtures, equipment and all other personal property placed or installed in or upon the Premises by Tenant, or under its authority (including any modular furniture). Any damage caused by Tenant in connection with the removal of any such items shall be repaired by Tenant, at Tenant's sole expense.

18. CONDEMNATION.

(a) Controlling Terms. If during the Term, or during the period of time between the execution of this Lease and the Commencement Date, there is any taking of all or any part of the Premises or any interest in this Lease by Condemnation (as defined below), this Section shall determine the rights and obligations of Tenant and Landlord. "Condemnation" shall mean the exercise of any governmental power to take title to any portion of the Premises, whether by legal proceedings or otherwise, by a Condemnor (as defined below) or a voluntary sale or transfer by Landlord to any Condemnor, either under threat of a Condemnor's exercise of such power or while legal proceedings are pending for the exercise of such power. "Condemnor" shall mean any public or quasi-public authority, or private corporation or individual, having the power of Condemnation.

(b) Total Taking. If the Premises are totally taken by Condemnation, this Lease shall terminate on the date the Condemnor has a right to possession of the Premises (the "Date of Taking").

(c) Partial Taking. If any portion, but not all, of the Premises is taken by Condemnation, this Lease shall remain in effect, except that Tenant may elect to terminate this Lease if, more than ten percent (10%) of the Premises is taken and the remaining portion of the Premises (including the space available for parking) is rendered unsuitable for Tenant's continued use of the Premises. If Tenant elects to so terminate this Lease, Tenant must exercise its right to terminate by giving notice to Landlord within thirty (30) days after the date that the nature and the extent of the Condemnation have been determined (the "Determination Date"), which notice shall set forth the date of termination. Such termination date shall not be earlier than thirty (30) days nor later than ninety (90) days after Tenant has notified Landlord of its election to terminate; except that this Lease shall terminate on the Date of Taking if the Date of Taking falls on a date before the date of termination as designated by Tenant. If Tenant does not so notify Landlord within thirty (30) days after the Determination Date, all obligations of Tenant under this Lease shall remain in effect, except that Basic Rent shall be equitably abated.

(d) Restoration. Notwithstanding the preceding paragraph, if, within thirty (30) days after the Determination Date, Landlord notifies Tenant that Landlord at its cost will add to the remaining Premises so that the area of the Premises and the space available for parking, will be substantially the same after the Date of Taking as they were before the Date of Taking, and Landlord commences the restoration promptly and, subject to reasonable allowance for delays

that are not caused by Landlord, completes it within one hundred twenty (120) days after Landlord so notifies Tenant, this Lease shall continue in effect. All obligations of Tenant under this Lease shall remain in effect, except that Basic Rent shall be equitably abated or reduced during the period from the Date of Taking until the completion of such restoration.

(e) Award. The Award (as defined below) shall be divided between Landlord and Tenant as their respective interests may appear. "Award" shall mean all compensation, sums or anything of value awarded, paid or received on a total or partial Condemnation of the Premises.

(f) Waiver of Statute. Landlord and Tenant hereby waive the provision of California Code of Civil Procedure Section 1265.130 allowing Landlord or Tenant to petition the superior court to terminate this Lease in the event of a partial taking of the Premises.

## 19. INDEMNIFICATION.

(a) Tenant's Indemnity. Tenant shall indemnify, defend and hold Landlord harmless from and against all loss, cost and expense, including attorneys' fees, arising from any injury or damage to any person or property, occurring in or about the Building or Premises as a result of Tenant's use of the Premises or any grossly negligent act or omission or willful misconduct of Tenant or its employees or arising from any breach or default under this Lease by Tenant. The foregoing provisions shall not be construed to make Tenant responsible for loss, damage, liability or expense resulting from injuries to third parties caused by the gross negligence or willful misconduct of Landlord, or its officers, contractors, licensees, agents, employees or invitees.

(b) Landlord's Indemnity. Landlord shall indemnify, defend and hold Tenant harmless from and against all loss, cost and expense, including attorneys' fees, arising from any injury or damage to any person or property, occurring in or about the Building or Premises as a result of any grossly negligent act, omission or willful misconduct of Landlord, or its officers, contractors, licensees, agents, employees, guests, or visitors or arising from any breach or default under this Lease by Landlord. The foregoing provisions shall not be construed to make Landlord responsible for loss, damage, liability or expense resulting from injuries to third parties caused by the negligence or willful misconduct of Tenant, or its officers, contractors, licensees, agents, employees or invitees.

## 20. INSURANCE.

(a) Landlord's Insurance. During the term of this Lease, Landlord shall maintain the following insurance:

(ii) General liability insurance (written on ISO policy form CG 00 01 or its equivalent) with limits of not less than the following: (1) per occurrence and general aggregate amount of \$5,000,000; (2) products/completed operations aggregate of \$2,000,000 and (3) personal and advertising injury of \$1,000,000. These limits can be comprised of a combination of primary and umbrella liability policies on a following form basis.

(iii) Failure by Landlord to maintain the insurance required by this Section and deliver evidence thereof as required by this Lease or to use any insurance proceeds to timely repair and restore the Premises shall constitute a material breach of this Lease

(b) Insurance Requirements. All insurance policies required to be maintained by Landlord under this Lease shall be issued by insurance companies which have a Best's Rating of "AVII" or better and which are qualified to do business in the State of California. All liability and property damage and other casualty policies of Tenant shall be written as primary policies, not contributing with, and not in excess of coverage which Landlord may carry.

(c) Certificates. Landlord shall deliver to Tenant on the Commencement Date of this Lease and thereafter at least fifteen (15) days prior to expiration of any insurance required to be carried hereunder, certificates of insurance evidencing this coverage with limits not less than those specified above. Certificates must document that each party has named the other as an additional insured (or its equivalent) on its general liability and property insurance policy, as required. Further, all certificates shall expressly provide that no less than thirty (30) days' prior written notice shall be given to Tenant in the event of material change to, expiration or cancellation of the coverages or policies evidenced by the certificates.

(d) Waiver of Subrogation. Landlord and Tenant each hereby waive their rights of subrogation against one another to the extent it is covered by the property insurance policies required to be carried hereunder. Landlord shall cause its insurance carriers to consent to the foregoing waiver of rights of subrogation against Tenant.

(e) Tenant's Insurance. During the term of this Lease, Tenant will maintain in full force and effect the types and amounts of insurance described below with respect to the Premises and Tenant's employees (Tenant, at its sole option, shall use commercial insurance and/or self-insurance or any combination thereof to satisfy these requirements):

Landlord shall be named as an additional insured under the coverage required under (c) above. Furthermore, the policies listed in (a) and (b) above shall contain waiver of subrogation provisions in favor of Landlord.

All insurance required to be carried hereunder shall be evidenced by valid and enforceable policies, issued by financially sound and responsible insurance carriers authorized or permitted to do business in the state in which the Premises are located, and having a Best's Policyholder Rating of not less than A VII.

Tenant will provide Landlord with appropriate certificates evidencing the insurance coverage required hereunder at commencement of this Lease and at each subsequent renewal of such coverage. Replacement certificates will be sent if policies are replaced or materially modified. Each certificate will state that at least 30 days' notice shall be given to Landlord prior to the cancellation of any policy.

21. PARKING.

(a) Tenant's Rights. Tenant shall have the right to the number of exclusive reserved parking stalls set forth in Section 1 without charge for the Term of this Lease. No tandem parking shall be permitted and Tenant shall be entitled to full in/out privileges. Tenant's parking rights shall be subject to reasonable parking rules and regulations adopted by Landlord from time to time, provided that such procedures shall be uniformly applied to all tenants. Tenant acknowledges that all other parking spaces are not for the exclusive use of Tenant, rather, all such parking spaces are to be used on a non-exclusive, first-come, first-served basis by Tenant and other tenants, occupants, licensees, invitees and permittees of the Building. Landlord may substitute parking spaces assigned to Tenant with parking spaces at adjacent properties (within 500 feet) on a temporary, as needed, basis.

(b) Remedies. Landlord shall use his best efforts to provide tenant with fifty (50) exclusive spaces at all times during the Term of this Lease. If Landlord provides less than 50 spaces, Tenant may at its sole discretion, negotiate with Landlord for an equitable reduction in the monthly rent based upon the Fair Market Value, estimated to be \$100 per space, of such parking or the loss of such parking if not replaced. Notwithstanding the provision above, if during the Term of this Lease, Landlord fails to provide at least fifteen (15) permanent parking stalls (within 500 feet of the Premises), Tenant may (a) terminate this Lease by giving written notice of such termination to Landlord, provided Landlord shall have a cure period of thirty (30) days of receipt of such notice. If Landlord fails to cure within the thirty (30) days, the Lease shall be terminated.

22. ENVIRONMENTAL MATTERS

(a) Hazardous Materials. Tenant shall not cause nor permit, nor allow any of Tenant's employees, agents, customers, visitors, invitees, licensees, contractors, assignees or subtenants to cause or permit, any Hazardous Materials to be brought upon, stored, manufactured, generated, blended, handled, recycled, treated, disposed or used on, under or about the Premises, the Building or the Common Areas, except for routine office and janitorial supplies in usual and customary quantities stored, used and disposed of in accordance with all applicable Environmental Laws. As used herein, "Hazardous Materials" means any chemical, substance, material, controlled substance, object, condition, waste, living organism or combination thereof, whether solid, semi solid, liquid or gaseous, which is or may be hazardous to human health or safety or to the environment due to its radioactivity, ignitability, corrosivity, reactivity, explosivity, toxicity, carcinogenicity, mutagenicity, phytotoxicity, infectiousness or other harmful or potentially harmful properties or effects, including, without limitation, molds, toxic levels of bacteria, tobacco smoke within the Premises, petroleum and petroleum products, asbestos, radon, polychlorinated biphenyls (PCBs), refrigerants (including those substances defined in the Environmental Protection Agency's "Refrigerant Recycling Rule," as amended from time to time) and all of those chemicals, substances, materials, controlled substances, objects, conditions, wastes, living organisms or combinations thereof which are now or become in the future listed, defined or regulated in any manner by any Environmental Law based upon, directly or indirectly, such properties or effects. As used herein, "Environmental Laws" means any and all federal, state or local environmental, health and/or safety-related laws, regulations, standards, decisions of courts, ordinances, rules, codes, orders, decrees, directives, guidelines, permits or permit conditions, currently existing and as amended, enacted, issued or adopted in the future which are or become applicable to Tenant, the Premises, the Building or the Common Areas. The foregoing notwithstanding, Tenant acknowledges that it has received and reviewed and is familiar with the condition of the Premises as described in that certain Phase I Environmental Site Assessment Report. The existence of any Hazardous Materials identified in the Phase I Environmental Site Assessment Report shall not constitute a breach of, or default under, this Lease by Landlord.

(b) Landlord Indemnity. Landlord shall indemnify, protect, defend (by counsel acceptable to Tenant) and hold harmless Tenant from and against any and all claims, judgments, causes of action, damage, penalties, fine, taxes, costs, liabilities, losses and expenses arising at any time during or after the Term as a result (directly or indirectly) of or in connection with the presence of Hazardous Materials on, under or about the Premises, Building or Common Areas or other violation of laws relating to Hazardous Materials other than caused by Tenant. This indemnity shall include, without limitation, the cost of any required or necessary repair, cleanup or detoxification, and the preparation and implementation of any closure, monitoring or other required plans, as such action is required by local or state laws or any governmental agency. Landlord shall promptly deliver to Tenant a copy of any notice received from any governmental agency during the Term of this Lease concerning the presence of Hazardous Materials in the Building or the Premises. Landlord's obligations pursuant to the foregoing indemnity shall survive the expiration or termination of this Lease. A default by Landlord under this Section shall constitute a material default under this Lease.

23. ESTOPPEL CERTIFICATES. Tenant shall, within thirty (30) days after written request of Landlord, execute, acknowledge and deliver to Landlord or its designee a written statement in the form of Document II in the Supplemental Lease Documents delivered to Landlord concurrently herewith (properly completed) but shall have no other obligation to deliver any other form of estoppel certificate. It is intended that any such statement delivered pursuant to this Section may be relied upon by a prospective purchaser of Landlord's interest or holder of any mortgage upon Landlord's interest in the Premises.

24. TENANT IMPROVEMENTS. Prior to the Commencement Date, Landlord shall construct the Tenant Improvements in the manner set forth in the Landlord's Work Letter executed by Landlord and Tenant concurrently herewith.

25. LIENS. Tenant shall keep its interest in this Lease and the Premises free from any liens arising out of any work performed or materials ordered or obligations incurred by Tenant. Landlord shall keep its interest in this Lease and the Premises free from any liens which would impair the interest of Tenant hereunder and hereby indemnifies and holds Tenant harmless from any liability or loss from any such lien.

## 26. SUBORDINATION AND MORTGAGES

(a) Subordination and Non-Disturbance. Tenant agrees, at Landlord's option, to subordinate this Lease to the lien of any mortgages or deeds of trust now or hereafter in force against the Building; provided, however, Tenant's obligation to subordinate this Lease is expressly conditioned upon Tenant receiving a written agreement in the form of Document I in the Supplemental Lease Documents delivered to Landlord concurrently herewith and provided further that no such subordination shall affect any option to extend the Term of this Lease, right of first offer to lease additional premises, option to purchase or right of first offer to purchase the Property which may be included herein.

(b) Existing Deeds of Trust. The beneficiary under any existing deed of trust affecting the Building shall provide a written agreement to Tenant in the form of Document I in the Supplemental Lease Documents, delivered to Landlord concurrently herewith within thirty (30) days after the execution of this Lease.

(c) Request for Notice. Landlord acknowledges that Tenant intends to record a Request for Notice with respect to any mortgages or deeds of trust affecting the Property in the form of Document V in the Supplemental Lease Documents delivered to Landlord concurrently herewith.

(d) Notice of Default. If any mortgagee or beneficiary under a deed of trust affecting the Property gives written notice of its name and address to Tenant by registered mail requesting any such notice with reference to this Section, Tenant agrees to use its best efforts (but without liability for failure to do so) to give such mortgagee a copy of any notice of Default served upon Landlord hereunder which could permit Tenant to terminate this Lease and an additional ten (10) days within which to cure such Default.

27. SURRENDER OF POSSESSION. Tenant agrees to return the Premises to Landlord in as good condition as when rented, ordinary wear and tear, damage by earthquake, fire or the elements and other such disasters or casualty excepted. As between Tenant and Landlord, Tenant shall be responsible to Landlord for any and all damage to the Premises by any of Tenant's agents, servants, employees, customers or invitees. Tenant shall remove, at its own expense, all fixtures, equipment and all other personal property placed or installed in or upon the Premises by Tenant, or under its authority (including any modular furniture).

28. SIGNAGE. Tenant shall be permitted, at Tenant's sole cost and expense, to install at the Premises reasonably appropriate signs that conform with any and all applicable laws and ordinances.

29. QUIET ENJOYMENT. So long as Tenant is not in default hereunder, Tenant shall have the right to the quiet and peaceful enjoyment and possession of the Premises and the Common Areas during the Term of this Lease, subject to the terms and conditions of this Lease.

### 30. GENERAL

(a) Headings. Titles to Sections of this Lease are not a part of this Lease and shall have no effect upon the construction or interpretation of any part hereof.

(b) Successors and Assigns. All of the covenants, agreements, terms and conditions contained in this Lease shall inure to and be binding upon the Landlord and Tenant and their respective successors and assigns.

(c) Entire Agreement. Any such notice not so given shall be deemed given upon receipt of the same by the party to whom the same is to be given.

(f) Governing Law and Forum. This Lease shall be governed by and construed in accordance with the internal laws of the State of California. Any litigation with respect to this Lease shall be conducted in the County of Los Angeles, State of California.

No waiver by Landlord or Tenant of any provision hereof shall be deemed a waiver of any other provision hereof or of any subsequent breach by Landlord or Tenant of the same or any other provision. Landlord's or Tenant's consent to or approval of any act shall not be deemed to render unnecessary the obtaining of Landlord's or Tenant's consent to or approval of any subsequent act by Landlord or Tenant.

31. AUTHORITY. Only the Board of Supervisors has the authority, by formally approving and/or executing this Lease, to bind the County to the terms included herein. Each individual executing this Lease on behalf of Tenant represents and warrants that he or she is duly authorized to execute and deliver this Lease on behalf of Tenant, and that this Lease is binding upon Tenant in accordance with its terms. Landlord understands that no material terms of this Lease may be altered or deleted, nor may any new material terms be added to this Lease, without the express written approval of the Board of Supervisors, either through an amendment to the Lease or by other formal board action. No County officer, employee, agent or independent contractor has any authority to alter, add or delete the material terms of this Lease and Landlord may not rely upon any representations to the contrary. This limitation of authority applies to all material terms of the Lease including, without limitation, any monetary ceiling established for Tenant Improvements or other project costs of Landlord which are subject to reimbursement by County. County shall not reimburse Landlord for any expenses which exceed this ceiling. Notwithstanding the foregoing, the Chief Administrative Officer of the County or its delegee (the "Chief Administrative Officer") may take any administrative act on behalf of Tenant hereunder which does not have the effect of increasing Basic Rent or other financial obligations of Tenant under this Lease, including without limitation, granting any approvals, terminating this Lease in the manner provided herein by an Early Termination Notice or otherwise, signing estoppel certificates, signing the Commencement Date Memorandum and Confirmation of Lease Terms or subordinating this Lease. Each individual executing this Lease on behalf of Landlord represents and warrants that he or she is duly authorized to execute and deliver this Lease on behalf of Landlord, and that this Lease is binding upon Landlord in accordance with its terms.

### 32. ACKNOWLEDGEMENT BY LANDLORD

Landlord acknowledges that it is aware of the following provisions:

(a) Consideration of GAIN Program Participants. Should Landlord require additional or replacement personnel after the effective date of this Lease, Landlord shall give consideration for any such employment, openings to participants in the County Department of Public Social Services' Greater Avenues for Independence ("GAIN") Program who meet Landlord's minimum qualifications for the open position. The County will refer GAIN participants by job category to Landlord.

(b) Solicitation of Consideration. It is improper for any County officer, employee or agent to solicit consideration in any form from a landlord with the implication, suggestion or statement that the landlord's provision of the consideration may secure more favorable treatment for the landlord in the award of the Lease or that landlord's failure to provide such consideration may negatively affect the County's consideration of the landlord's offer to lease. A landlord shall not offer or give, either directly or through an intermediary, consideration in any form to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of the Lease.

Landlord shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861. Failure to report such solicitation may result in the landlord's submission being eliminated from consideration.

(c) Landlord Assignment.

(i) Landlord may assign, transfer, mortgage, hypothecate or encumber Landlord's right, title and interest in and to this Lease or any portion thereof (including the right to receive rental payments but excluding its duties and obligations hereunder), and Landlord may execute any and all instruments providing for the payment of Basic Rent directly to an assignee or transferee, but only if the conditions set forth in this Section are met.

(ii) Any document or agreement purporting to assign, transfer, mortgage, hypothecate or encumber Landlord's right, title and interest in and to this Lease or any portion thereof, is hereinafter referred to as a "Security Agreement." Any Security Agreement which is executed without full compliance with the requirements of this Section shall be void as it regards this Lease.

(iii) Each assignee or transferee under the Security Agreement shall certify and agree in writing that such assignee or transferee has read and is familiar with the requirements of Sections 5950-5955 of the California Government Code, which prohibits the offer or sale of any security constituting a fractional interest in this Lease or any portion thereof, without the prior written consent of the County.

(iv) Violation by Landlord of the provisions of Section 5951 of the California Government Code will constitute a material breach of this Lease, upon which the County may impose damages in an amount equal to the greater of (a) \$500,000 or (b) 10% of the aggregate principal portion of all rental payments payable by the County during the entire Term of this Lease, it being expressly agreed that the aforesaid amount shall be imposed as liquidated damages, and not as a forfeiture or penalty. It is further specifically agreed that the aforesaid amount is presumed to be the amount of damages sustained by reason of any such violation, because from the circumstances and nature of the violation it would be impracticable and

extremely difficult to fix actual damages. In addition, the County may exercise or pursue any other right or remedy it may have under this Lease or applicable law.

(v) Landlord shall give the County notice and a copy of each Security Agreement and any other instrument relating thereto (including, but not limited to, instruments providing for the payment of Basic Rent directly to an assignee or transferee) at least two weeks prior to the effective date thereof.

(vi) Landlord shall not furnish any information concerning County or the subject matter of this Lease (including, but not limited to, offering memoranda, financial statements, economic and demographic information, and legal opinions rendered by the office of counsel for the County) to any person or entity, except with County's prior written consent. The foregoing shall not apply to any information which is available to the general public. Landlord shall indemnify, defend and hold County and its officers, agents and employees harmless from and against all claims and liability alleged to arise from the inaccuracy or incompleteness of any information furnished by Landlord in violation of this Section.

(vii) The provisions of this Section shall be binding upon and applicable to the parties hereto and their respective successors and assigns. Whenever in this Section Landlord is referred to, such reference shall be deemed to include Landlord's successors or assigns, and all covenants and agreements by or on behalf of Landlord herein shall bind and apply to Landlord's successors and assigns whether so expressed or not.

(viii) The foregoing notwithstanding, Tenant has been advised, and hereby acknowledges, that SFSHP Investors I, LLC has entered into a purchase and sale agreement and escrow instructions (the "Sale Agreement") to sell its entire ground lease interest in the entire Heritage Corporate Center (the "Center"), including the Premises, to Argus Realty Investors, LP or its affiliates (together "Argus"), and that in connection with any such sale the Lease will be assigned to Argus. Tenant further has been advised, and hereby acknowledges, that Argus intends to finance its acquisition of the Center, in part, by borrowing a loan from Principal Life Insurance Company or one of its affiliates ("Principal") and that, in connection with any such borrowing, the Lease will be assigned to Principal. Finally, Tenant has been advised, and hereby acknowledges, that Argus will thereafter sell undivided tenant in common interests in the Center, including the Premises and the Lease, to various tenant in common investors in connection with a real estate syndication program, which transfers shall result in various owners owning undivided tenant in common interests in the leasehold interests in the Center. By its execution hereof, Tenant consents to, and otherwise approves, the foregoing transfers.

33. **IRREVOCABLE OFFER.** In consideration for the time and expense that Tenant will invest, including, but not limited to, preliminary space planning, legal review, and preparation and noticing for presentation to the Tenant Real Estate Management Commission of Los Angeles County in reliance on Landlord's agreement to lease the Premises to Tenant under the terms of this Lease, Landlord irrevocably offers to enter into this Lease and not to revoke this offer until the Irrevocable Offer Expiration Date, as defined in Section 1.

IN WITNESS WHEREOF this Lease has been executed the day and year first above set forth.

## ADDENDUM TO LEASE

THIS ADDENDUM TO LEASE ("Addendum") is attached to and constitutes an integral part of the Lease between SFSHP INVESTORS I, LLC, a Delaware Limited Liability Company, as Landlord, and County of Los Angeles, a body politic and corporate, as Tenant. The terms of this Addendum shall be incorporated in the Lease for all purposes. All words and phrases not specifically defined in this Addendum shall have the same meaning as in the Lease.

The following new Sections are hereby added to the Lease which state in their entirety as follows:

34. New Section 34 - Option to Extend. A new Section 34 hereby is added to the Lease which states in its entirety as follows:

(a) Terms of Options. Provided that no material Default has occurred and is continuing under the Lease at the time the option is exercised, Tenant shall have two (2) options to renew this Lease for an additional period of sixty (60) months each (respectively, the "First Extension Term" and the "Second Extension Term", and collectively, the "Extension Term(s)"). Rent during any extension term shall be payable as set forth in Exhibit F to the Lease.

(b) Exercise of Option. Tenant must exercise its options to extend this Lease by giving Landlord written notice of its election to do so no later than one hundred eighty (180) days prior to the end of the initial Term, or the First Extension Term, as applicable.

(c) Terms and Conditions of Extension Terms. The Extension Terms shall be on all the terms and conditions of this Lease, including Basic Rent [except that Landlord shall have no additional obligation for free rent, leasehold improvements or for any other tenant inducements for the Extension Terms] provided that Tenant's early termination right described in Section 4(d) shall require that the applicable written notice be given on the first day following the first twenty-four (24) months of each option period, and that the effective date of any such termination be at least 120 days thereafter. In no event shall Landlord be responsible for payment of any brokerage fees or commissions to any broker or finder retained by Tenant or representing Tenant.

35. RESERVED.

36. New Section 36 - Option to Purchase all of the Landlord's interest in the Ground lease (including any improvements). A new Section 36 is hereby added to the Lease which states in its entirety as follows:

(a) (i) Landlord has informed Tenant of its intent to sell the Center to Argus as described in Section 32 of the Lease. Should the sale to Argus occur and provided that the Landlord has not given written notice that a material Default has occurred and is continuing under the Lease at the time the Notice of Intent (as defined below) is given, Tenant shall, subject to the terms of this Section, have the option to purchase the Landlord's ground lease interest and improvements in the Premises (which is described in Exhibit A hereto) on the terms and conditions herein set forth for a purchase price of Two Million Seven Hundred Thousand Dollars (\$2,700,000.00) plus any unamortized amounts of Additional Tenant Improvement Allowance and the Change Order Allowance (the "Purchase Price"), at any time between the eighteenth (18<sup>th</sup>) and thirtieth (30<sup>th</sup>) months of the initial Term of this Lease. If Tenant intends to exercise this option, it shall give written notice of such intention to Landlord (the "Notice of Intent"), stating the proposed closing date of the sale (the "Closing Date"), which shall be at least ninety (90) days, but not more than six (6) months thereafter. Tenant shall enclose with the Notice of

87

Intent the proposed form of a written purchase and sale agreement and escrow instructions in the form then customarily used by Tenant (the "Purchase Contract"). Landlord and Tenant shall thereafter use good faith efforts to mutually agree to the final form of the Purchase Contract by which Landlord shall agree to convey the property and Tenant shall agree to purchase the property for the Purchase Price on or before the Closing Date on the terms and conditions set forth herein. Landlord and Tenant shall execute such Purchase Contract thereafter and deliver a copy thereof to an escrow holder selected by Tenant. Escrow fees shall be shared equally by both parties. Prorations of expenses of the property and the payment of closing costs shall be shared in accordance with the custom then prevailing in Los Angeles County except as otherwise provided herein. The terms of this Lease shall continue to be in effect until the Closing Date of Tenant's purchase of the property, at which time this Lease shall be automatically terminated. If for any reason the escrow is cancelled, this Lease shall continue to be in effect.

(ii) Should the sale by Landlord to Argus not occur, Tenant shall, in lieu of the option described in the immediately preceding paragraph, have the option to purchase the Landlord's ground lease interest and improvements (which is described in Exhibit A hereto) on the terms and conditions herein set forth for a purchase price of Two Million Seven Hundred Thousand Dollars (\$2,700,000.00) plus any unamortized amounts of Additional Tenant Improvement Allowance and the Change Order Allowance (the "Purchase Price") at any time between the eighteenth (18<sup>th</sup>) and sixtieth (60<sup>th</sup>) months of the initial Term of this Lease. If Tenant intends to exercise this option, it shall give written notice of such intention to Landlord (the "Notice of Intent"), stating the proposed closing date of the sale (the "Closing Date"), which shall be at least ninety (90) days, but not more than six (6) months thereafter. Tenant shall enclose with the Notice of Intent the proposed form of a written purchase and sale agreement and escrow instructions in the form then customarily used by Tenant (the "Purchase Contract"). Landlord and Tenant shall thereafter use good faith efforts to mutually agree to the final form of the Purchase Contract by which Landlord shall agree to convey the property and Tenant shall agree to purchase the property for the Purchase Price on or before the Closing Date on the terms and conditions set forth herein. Landlord and Tenant shall execute such Purchase Contract thereafter and deliver a copy thereof to an escrow holder selected by Tenant. Escrow fees shall be shared equally by both parties. Prorations of expenses of the property and the payment of closing costs shall be shared in accordance with the custom then prevailing in Los Angeles County except as otherwise provided herein. The terms of this Lease shall continue to be in effect until the Closing Date of Tenant's purchase of the property, at which time this Lease shall be automatically terminated. If for any reason the escrow is cancelled, this Lease shall continue to be in effect. If however, Landlord enters into a contract to sell the property to another party other than the Argus Sale, the Tenant's option to purchase shall revert back to the time period specified in the Section 36(a)(i) of between the 18<sup>th</sup> and 30<sup>th</sup> month of the initial Term of the Lease. If such contract is executed on after the 30<sup>th</sup> month of the initial Term of the Lease, the Tenant's option to purchase shall be terminated.

(b) The purchase shall be subject to (a) a review of the feasibility, zoning, environmental, title and other matters affecting the property during a period of ninety (90) days after execution of the Purchase Contract, and (b) approval of the proposed purchase of the property by the Board of Supervisors and (c) the approval and consent of the ground lessor to both the separation of the property from the balance of the Center controlled by the ground lease and of the transfer of the leasehold interest in the property to Tenant. If Tenant is not satisfied with the results of such review, in its absolute discretion, or if the purchase of the Property is not approved by the Board of Supervisors, the Purchase Contract may be terminated by Tenant by written notice to Landlord with no further obligation or liability thereunder, in which event the Lease shall continue in full force and effect. If the ground lessor does not provide the consent and approval required in the preceding sentence, then either Landlord or Tenant can terminate the Purchase Contract by written notice to the other with no further obligation or liability thereunder, in which event the Lease shall continue in full force and effect. Landlord shall cooperate with Tenant by permitting access to the property for purposes of making such

inspections as are reasonable and customary and shall deliver such information concerning the property as may be reasonably requested.

(c) Landlord shall convey good and marketable fee title to the Landlord's ground lease interest and improvements to Tenant at the Closing and shall, at its expense, deliver to Tenant at the Closing, a standard coverage CLTA policy of title insurance in the amount of the Purchase Price insuring that leasehold title is vested in Tenant subject only to such matters as Tenant has approved or which otherwise affect the property including, in all events, the ground lease. Other than the obligation to obtain the release of the property from any financing incurred by the Landlord that is secured by the property, Landlord shall have no obligation to cure any other title exceptions. Except as set forth above, the sale of the Landlord's ground lease interest and improvements shall be on an "as-is" basis.
